ATTENTION: General Services Administration has advised, the current **FBO.gov** site is moving to beta.SAM.gov starting on November 8, 2019. The FBO website will enter a “data freeze” beginning on Nov. 8. During that freeze, no new procurement data will be uploaded to the site as it is fully decommissioned over the holiday weekend. Beginning on Nov. 12, all federal procurements will be posted on beta.SAM.gov under the “**Contract Opportunities**” tab. To ensure vendors have no gaps in functionality or performance, read the [Contractor Quick Start Guide](#). For current Federal users, you can now migrate your FBO.gov roles to beta.SAM.gov. For more information, please read the [Federal User Transition Quick Start Guide](#).

Certified contractors must submit a revised DD Form 2345 whenever information previously furnished becomes outdated; for example, name of company, new person designated as the Data Custodian, or if there is a change of address information. A fillable PDF version of a blank DD Form 2345 is available from the main web page of the [JCP website](#).

Please contact our office by email at JCP-ADMIN@DLA.MIL should you have any questions concerning the Joint Certification Program. Please use JCP-ADMIN@dla.mil for DD Form 2345 submissions and revisions.
