

5.2.1.2 Environmental Policy

Environmental Policy

Coordinate Industries Ltd. maintains an Environmental Management System to improve its environmental management and, to reduce the environmental impacts of its machining and assembly operations, activities, products, and services.

Within the framework of our Environmental Management System we commit to:

- **Set and achieve Environmental Objectives**
- **Protect the Environment by identifying materials, processes, products and wastes that cause or may cause pollution, and will implement measures to avoid, reduce or control pollution where technically and economically viable;**
- **Comply with applicable laws, regulations, codes of practice, and other requirements to which the company subscribes.; and**
- **Continually enhance and improve the Environmental Management System to ensure that it is appropriate and effective for helping us to achieve our environmental goals.**
